

## CURRICULUM VITAE

**Last name:** Anisimov  
**First name:** Vladimir  
**Middle name:** Nikolaevich  
**Permanent address:** Department of Carcinogenesis and Oncogerontology,  
N.N. Petrov Research Institute of Oncology,  
68, Leningradskaya Str., Pesochny-2, St.-Petersburg 197758, Russia  
Tel.: (812) 596-8607; Fax: (812) 596-8947; E.mail: [aging@mail.ru](mailto:aging@mail.ru)  
**Date of birth:** 1945, December 07  
**Place of birth:** Leningrad (now -St.Petersburg), USSR  
**Citizenship:** Russian Federation

**Education and academic degree** 1968 - M.D., 1st I.P.Pavlov Medical Institute, Leningrad  
1970 - Postgraduate training in chemical carcinogenesis at  
of N.N.Petrov Research Institute of Oncology, Leningrad  
1972 - Ph.D. in Oncology, N.N.Petrov Research Institute of Oncology, Leningrad  
1984 - D.Sc. in Oncology, N.N.Petrov Research Institute of Oncology, Leningrad  
1996 - Professor in Oncology  
1996 - Associate Member of The Russian Academy of Natural Sciences

**Occupation:** 1999-now: Head, Department of Carcinogenesis and Oncogerontology  
N.N.Petrov Research Institute of Oncology,  
1987-now: Chief, Laboratory of Carcinogenesis and Aging,  
N.N.Petrov Research Institute of Oncology,  
1984-1987: Senior Researcher, N.N.Petrov Research Institute of Oncology  
1970-1984: Researcher, N.N.Petrov Research Institute of Oncology

**Supervising Ph.D. applicants:** N.V.Zhukovskaya (1990); L.M.Alyakparova (1992); G.Y.Osipova (1993); V.G. Bilanishvili (1994); O.K.Sukhovolski (1994; 2002); B.V.Vasiliev (1997), E.I.Muratov (1997), S.F.Musatov (1998), M.V.Dubina (1998), M.A.Signaevski (1999), M.V. Soloviev (2000), N.Yu. Zavarzina (2002); G.O. Kerkeshko (2002); G.L.Safarova (2002); I.N. Alimova (2002). S.V. Rosenfeld (2002), E.V. Lugovaya (2002); O.N. Mikhailova (2003); T.V. Kvetnaya (2003); D.A. Baturin (2003); L.V. Lenskaya (2004); A.V. Semenchenko (2004); I.G. Povovich (2005); Egormin P.A. (2005); A.V. Panchenko (2006).

### Teaching experience:

Undergraduate courses in oncology and gerontology, I.P.Pavlov St.Petersburg State Medical University;

**Societies:** Gerontological Society of The Russian Academy of Sciences (since 1994 - President)  
The Russian Cancer Society  
The St.Petersburg Society of Gerontology and Geriatrics (Vice-chairman)  
European Association for Cancer Research  
European Pineal Society  
The Gerontological Society of America  
Romanian Association of Gerontology and Geriatrics (member of honor), 1997  
Ukranian Society of Gerontology and Geriatrics (member of honor), 2000.

### Other activities:

Scientific Council on Malignant Neoplasia at the RAMS and the Russian Federation Ministry of Health - since 2003 - Member of the Executive Council;  
Problem Committee "Carcinogenesis" of the Scientific Council "Malignant Neoplasia", since 2003 – Chairman;  
Scientific Council on Gerontology and Geriatrics (SCGG) at the RAMS and the Russian Federation Ministry of Health - since 1998 – Member of the Executive Council,  
Problem Committee on Biology and Physiology of Aging at SCGG – Chairman;  
Problem Committee "Age-Related Physiology", Scientific Council on Physiological Sciences at the Russian Academy of Sciences – member;  
Comission on Carcinogenic Factors at the Russian Federation Ministry of Health – member;  
International Agency for Research on Cancer (IARC) Fellowships Selection Committee – Member (1991-1992);  
International Association of Gerontology Council – since 1997 – member;  
Executive Committee, European Region Council, International Association of Gerontology – member;

Expert of UN Program on Aging (since 1999)

Expert of IARC

**Member of Editorial board of the journals:**

Advances in Gerontology – Editor-in-Chief;

Aging. Clinical and Experimental Research;

Biogerontology;

Clinical Gerontology (Moscow) – Vice-Editor-in-Chief;

Demographic Research

Experimental Gerontology

Frontiers in Biosciences

Geronto-Geriatrics. International Journal of Gerontology-Chronomegeriatrics;

Gerontologija (Vilnius);

Herald of Gerontological Society of The Russian Academy of Sciences (Editor-in-Chief);

Mechanisms of Ageing and Development;

Neuroendocrinology Letters;

Problems of Aging and Longevity (Kiev);

Old Generation (Samara);

Turkish Journal of Geriatrics.

**Honours and awards:**

- XXIV Premium Casali (Italy), 1990;
- The Russian Federation State Stipend for distinguished scientists, 1994-1996; 1997-1999; 2000-2002;
- P.L. Kapitsa' memorial silver medal "Author of Scientific Discovery", 1997.
- I.P. Pavlov' memorial silver medal "For Contribution in Medicine and Public Health", 1999.
- V.Ch. Vasilenko' award of Russian Academy of Medical Sciences for the best work in therapy and gastroenterology (Book: "Melatonin in Physiology and Pathology of Gastro-Intestinal Tract") 2001.
- T.I. Yeroshevsky Prize Winner for the best scientific study in medical gerontology and geriatrics , 2002.
- The Russian Ministry of Health medal "For Merit in Fatherland Health Service", 2002.
- The RAMS Scientific Council on Gerontology and Geriatrics diploma and medal, 2003.
- P.Ehrlich medal and Diploma for Merits in Preventive and Social Medicine, European Academy of Natural and Social Sciences, Hannover, Germany, 2005.

**Fields of interests:** Main activities in chemical and radiation carcinogenesis; relationship between carcinogenesis and aging; experimental gerontology.

**Publications:** More 650 scientific publications (19 monographs, more 400 scientific papers in international and Russian journals, approx. 200 abstracts, book reviews, etc.), 4 inventions, 2 patents.

**Main monographs:**

- A.Likhachev, V.Anisimov, R.Montesano (eds.), *"Age-Related Factors in Carcinogenesis"*. IARC Sci.Publ.No.58, IARC, Lyon, **1985**.
- V.N. Anisimov, *"Carcinogenesis and Aging"*, Vols. 1 & 2, CRC Press, Inc., Boca Raton, FL., **1987**.
- V.D.Slepishkin, V.N.Anisimov, V.Kh.Khavinson, V.G.Morozov, N.V.Vasilyev, V.A.Kosykh, *"The Pineal Gland, Immunity and Cancer (Theoretical and Practical Aspects)"*, Tomsk: Tomsk Univ.Publ., **1990** [in Russian].
- V.N.Anisimov, L.Birnbaum, G.Butenko et al., *"Principles for Evaluating Chemical Effects on the Aged Population (Environmental Health Criteria 144)"*. Geneva: World Health Organization, **1993**.
- V.N.Anisimov, M.V.Soloviev *"The Evolution of Concepts in Gerontology"*, St.Petersburg: Aesculap, **1999**. [in Russian]
- V.N. Anisimov, I.M. Kvetnoy, F.I.Komarov, N.K.Malinovskaya, S.I. Rapoport. *"Melatonin in Physiology and Pathology of Gastro-Intestinal Tract"*. Moscow: Soviet Sport Publ., **2000** [in Russian].
- V.Kh. Khavinson, V.N. Anisimov *"Peptide Bioregulators and Ageing"*, St. Petersburg: Nauka, **2003** [in Russian].
- V.N. Anisimov *"Molecular and Physiological Mechanisms of Aging"*, St.Petersburg: Nauka, **2003** [in Russian].
- F.I. Komarov, S.I. Rapoport, N.K.Malinovskaya, V.N. Anisimov *"Melatonin in Norm and Pathology"*, Moscow: Medpraktika, 2004 [in Russian].
- V.N. Anisimov, V.M. Moisseynko, K.P. Khanson *"Cancer in the Elderly"*, St.Petersburg: N.-L., **2004** [in Russian]
- O.N.Mikhailova, V.N. Anisimov, A.V. Sidorenko *"Development of Gerontology in Russia: The Role of International Collaboration"*. St.Petersburg: COSTA Publ., 2005 [in Russian].
- V.Kh. Khavinson, S.V. Anisimov, V.V. Malinin, V.N. Anisimov *"Peptide Regulation of Genome and Aging"*, Moscow: RAMS Publ., 2005 [in Russian].
